Excellence Catholic Education Awards

The Council of Catholic School Superintendents of Alberta (CCSSA) influences the development and direction of education in Alberta and in this journey we proudly and continuously proclaim the benefits of Catholic education to our partners, stakeholders, and the public at large.

As leaders in Catholic education in Alberta we wish to communicate clearly and convincingly the *raison d'être* for Catholic education and its value to society. We believe that one way of achieving this goal is to celebrate and recognize, province wide, the accomplishments made by our teachers in by providing an Excellence in Teaching Awards.

The Excellence in Catholic Education Award recognizes Catholic educators in Alberta who have done an exemplary job in preparing our youth to grow into outstanding Catholic citizens.
